21 I, THOMAS R. GILL, ESQ., have personal knowledge of the following facts, and if called  
22 upon could competently testify to the following:

23 1. On June 20, 2008, I began seeking a stipulation with Miles Scully, Esq., lead defense  
24 counsel, to effect an extension of dates to designate experts. Mr. Scully has recently indicated  
25 Defendant has "no interest in changing the dates".

26 2. Plaintiff could not meet the June 17<sup>th</sup> deadline for two main reasons. The first was  
27 the time required to establish a guardianship, which was effected May 5, 2008, whereby Plaintiff's  
28

1 wife, Carmen Hagen, was formally appointment guardian *ad litem*. Therefore, as Plaintiff's  
2 counsel, I did not have authority to proceed with selecting an expert until Ms. Hagen was appointed  
3 guardian.

4 3. However, the overriding concern has been the significant difficulty finding a forensic  
5 expert neuropsychiatrist and/or neurologist specializing in dementia/Alzheimer's Disease. This  
6 includes using expert witness search services. A couple of potential experts indicated interest, but  
7 conceded their specialty is not with serving the interests of individuals with dementia/Alzheimer's.

8 4. Mr. Scully and I have discussed and agreed a central issue in this matter is whether  
9 or not Plaintiff was able, based upon his medical condition, to perform the essential functions of his  
10 position at the time of his termination, March 10, 2006. The determination of this question  
11 necessarily involves a forensic medical expert capable of making such an assessment.

12 5. There has been no prior request for a continuance or extension of any date set forth  
13 in the Case Management Conference Order dated March 19, 2008.

14 6. No prejudice has been indicated nor do I foresee any prejudice that could accrue to  
15 Defendant should the expert designation date be extended.

16 7. Thank you for your attention to this matter.

17  
18 I declare under penalty of perjury under the laws of the United States the foregoing is true  
19 and correct and that this affidavit was executed on this 1<sup>st</sup> day of July, 2008, at San Diego,  
20 California.
